Chatting with nurses and making two-finger victory signs. Thailand cave rescue: colleagues praise Australian doctor who played central role. The video shows the boys in an isolation ward in beds with crisp white sheets and wearing green surgical masks. The youngest, 11, appeared asleep while others, including their 25-year-old soccer coach, sat in bed, their faces obscured by green surgical masks. Some of their parents are seen crying and waving to them from behind glass. Chaiwetch Thanapaisal, director of the Chiang Rai Prachanukroh hospital, told a news con-
